District 2 Road Trip Adventure

Hello to our Northwestern Region District 2 Road-Trippers!

Like the song says, we're "On the Road Again" to Coos Bay/North Bend, Oregon, October 27-29, 2023! We are excited for you to join us on this Adventure as we gather with other Soroptimist Clubs in our District to celebrate and educate each other about our common vision: for women and girls to have the resources and opportunities to reach their full potential and live their dreams.

We will be exploring Big Goal Accelerator Projects, spending time with our Dream Program, growing as members, leaders, and future leaders, planning our Area Meetings, and engaging our membership – whether first-timers or regular attendees!

This year, The Mill Casino and Hotel offers us a fun twist on our theme – RV spots! Reserve early to get the Soroptimist rate, and roll that luxury coach down US101 to join us for a weekend of celebrating District 2 and our work toward our Soroptimist mission.

We hope you'll join us at The Mill Casino starting Friday night the 27th for our BBQ by the Bay dinner party. This casual get-together will give us a chance to let someone else do the cookin', while we shake off the dusty road and prepare for our weekend together. More details are found later in the Call.

"The life I love is makin' music with my friends. And I can't wait to get on the road again!"

Our Keynote Speaker

Megan Mercer, Destination Reverie

Megan is a Holistic Life Coach, Breathwork facilitator, retreat leader, keynote speaker, and founder of Destination Reverie and The Reverie Method. She is passionate about helping others live the life of their dreams with more ease, flow and joy.

Using The Reverie Coaching Method Megan helps her clients reprogram their nervous system, form new healthy habits, live in flow, and connect with their most Aligned Self. Combining both Eastern and Western wisdom her clients learn how to navigate life differently, utilizing the power of an intentional mindset, various somatic and embodiment practices including breathwork, meditation, vagal toning, visualization, ayurveda and movement.

rev·er·ie /'rev(ə)rē/ noun:

A state of being pleasantly lost in one's thoughts; a daydream.

Megan came into this work through her own personal experiences early in life as a result of a horrific car accident and the PTSD that followed. She made it her mission to live fully, in spite of what happened, leading her to travel the world, style hair for stars of major motion pictures and some of the highest achieving business professionals in the world before returning back home earning her degree in Psychology from OSU to pursue what she believes is her true mission in life, to help others discover how to become the person they're meant to be.

Megan is passionate about working with her coaching clients who are in pursuit of stepping into their true potential. She regularly facilitates breathwork in her local community and communities around the globe, on transformational retreats and corporate workplaces. She teaches a Nervous System Re-Alignment Course three times a year where people can get an introduction to her deeper 1-on-1 work. This year she took her holistic bath and body self-care product line to market where it was received very well and she continues to have so much fun creating and testing new products to share with the people she serves.

Megan lives in Corvallis Oregon with her husband, two rescue cats, and dog. She loves being in nature, surrounding herself with good friends, and savoring the beauty in all things, people, and places.

You can reach her at www.destinationreverie.com and connect with her on Instagram @destination.reverie or @megs.reverie.

Seventieth Meeting of District 2 Soroptimist International of the Americas® Northwestern Region

Workshop Descriptions

Saturday, October 28, 2023 General Session

"Membership Momentum – Making Membership Meaningful!"

D2 Membership Rep Martha Falkenstein

You completed the membership activity at the 2023 Area Meetings. You heard the results during the 2023 Region Conference. Now, it is time to take action! Let's gain momentum in every club to ensure every member and prospective member has a positive experience. Can we do better? Yes, we can! Can we try new ideas? Yes, we can! Can we build momentum? Yes, we can! Working together, we will develop tools for every member to use.

Workshop Breakout: Session 1

Workshop #1

"Is Your Club on the Soroptimist Road to Success?"

Governor Karen Marshall and Region Officers

Gather your club leaders and hop on our Northwestern Region Bus as we take a road trip! Our destination is a successful club year. What does the destination look like? How do we get there? With your help, we'll plan our trip using the 2023-2024 club roadmap. We'll ensure your club doesn't miss any of the must-experience adventures!

Workshop #2

Passport to Peace

Megan Mercer, Destination Reverie

We are all influencers. This is not reserved for those who have celebrity status, or have a certain number of followers on social media. Our nervous systems are co-regulating all of the time, making us all influencers. In today's fast-paced world many people haven't taken the time or been taught to understand the language their body and mind is speaking. Many people are merely surviving when they are meant to be thriving. Learning to shift your nervous system out of this state is easier than people think. In this workshop you will learn how to take the power back at any moment with easy tools you always have available, like your breath.

Workshop Breakout: Session 2

Workshop #3

"All Aboard the Big Goal Accelerator Train"

Governor Karen Marshall and Region Officers

Let's show you how not to get derailed but get you through the mountain pass. We'll talk about creating a good submission and not losing your efforts along the way. You'll see how the SIA caboose can push you up that hill so you can coast to the bottom to get to SIA town. Take your seat as we're ready to roll...ALL ABOARD!!!

Workshop #4

"All Aboard the S.S. Membership and Batten down the Hatches!"

D2 Membership Rep Martha Falkenstein

While we are at port, preparing to launch this club year, we will use this time to learn from other passengers how to build a resilient club, hearing success stories for recruitment and retention.

Workshop #5

Area Meetings Workshop*

Facilitated by District 2

Secretary Jaci Margeson

Area Meetings are around the next bend in the Soroptimist highway. This workshop is to connect you and the clubs in your areas with dates, host responsibilities and dividing up the work to create an Area Meeting you'll never forget.

**Every Club's Area Meeting Representative is expected to attend this workshop.*

Then, let’s **Meet Up!** –a social time, sharing common interests with a conversation-starting topic – want to hear all about Ireland and its beauty? Want to know more about nominating our future District and Region Leaders? Maybe you’re wondering how other Clubs have handled their transitions in Membership, Leadership, Programs or the best online payment platforms for “fun”draising?

Sunday Service Project: Oasis Advocacy Shelter – an Oasis for All!

This year's Service Project beneficiary is Oasis Advocacy Shelter, an organization seeking to empower survivors of domestic and sexual violence, stalking, and human trafficking by providing emergency shelter and advocacy services.

Oasis provides free services to clients both in and out of shelter:

Identify and get services from other agencies, go to court and other appointments, assist with restraining orders medical, housing, and other forms, and help with goal setting and other plans to maintain a life free of abuse.

Oasis is the place where survivors will find support, information and encouragement.

During Sunday's morning session, we will assemble Soroptimist educational care packages and donations for a resource library for the ladies who are at the Oasis Shelter, along with a personal note from Soroptimist members at the meeting. We are excited for this opportunity for a hands-on team project!

We are seeking donations for these care packages and the library. Suggested items are:

Look Who's Hiding!

Five years ago, at the Heathman Lodge in Vancouver, District 2 adopted this adorable little sloth. Our Soropti~Sloth is a special member of District 2. The

tradition began when we discovered that the Heathman Lodge hides things for kids to find around the lodge. We decided that it could be fun for us to join the fun. We all had such a good time that she is now a member of District 2 and travels around the District for our Meetings.

She will be hiding in unexpected places. Keep an eye open for her and if you find her, she will reward you with a prize!
